We reserve the right, under special circumstances, to suspend or end the services at any time, with or without cause, and with or without notice. For example, we may suspend or terminate your use if you are not complying with these terms, or use the services in any way that would cause us legal liability or disrupt other use of the services.

Use at own risk

Though we want to provide a great service, there are certain things about the service we cannot promise. For example, the services and software are provided as-is, at your own risk, without express or implied warranty or condition of any kind. SCAB will have no responsibility for any harm to your computer system, loss or corruption of data, or other harm that results from your access to or use of the services or software in respect to Finnish law.

Limitation of Liability

In no event shall SCAB be liable to you for any special, collateral, direct, indirect, exemplary, incidental or consequential damages, including but not limited to loss of goodwill, loss of profits or loss or use (1) for breach of any of the provisions of these terms of use, (2) arising out of the inability to use any services provided by SCAB, (3) arising out of the breach of any warranty by SCAB, or (4) your failure to abide by the terms of these terms of use.

This limitation on SCAB's liabilities shall be in full force regardless of whether such liability is based on breach of contract, tort, strict liability or otherwise, and even if SCAB had previously been advised of the possibility of such damages.

You hereby acknowledge that the provisions of this section shall apply to all contents on all by SCAB provided services.

The aggregate liability of SCAB to you arising directly or indirectly out of and with respect to these terms of use shall not exceed an amount equal to the last month fee for the affected service payment by you to SCAB for or from the use of the service in question.

Such an agreement can be general and included in the service concerned and/or agreed specifically between you as a customer and SCAB as a supplier. Service level agreements are not part of this agreement, but are drawn up as separate documentation.

By continuing to access or use the services after revisions become effective, you agree to be bound by the revised terms.
